

Study Guide for *Modernism and Madness*

by Dr. Leonard Peikoff

- What is Peikoff's explanation of the proper understanding of schizophrenia?
- How does the schizophrenic characteristically approach metaphysical questions?
- What role does the form/technique distinction play in modern art?
- What are some of the characteristic thinking errors made by schizophrenics?
- How does the modern philosophic approach commit the same errors?
- What are some of the common characteristics of the schizophrenic and modern cultural leaders?
- What are the philosophic essentials behind the modernist/schizophrenic approach?
- What is the root cause of this transformation in philosophic orientation?
