

# Study Guide for *Some Notes About Tomorrow*

by Dr. Leonard Peikoff

- Why is there broad agreement that the world had changed in 1992?
- What was the event that precipitated the belief that everything is different?
- Why did the failure of Marxism in Soviet Russia not mark a deep historical change?
- How did Marxist collectivism fail where Christianity continued on?
- What two factors outlasted Marxism in Russia that undermine freedom?
- What ethical approach undermined worldly success in the Soviet bloc?
- What philosophic premises will allow and demand that dictatorship follow the end of communism?
- Why is the West unable to help the Eastern bloc to adopt freedom?
- Why has American business faltered so much in the face of Japanese competition?
- What is the fundamental cause of American decline?
