## ***Why Should One Act on Principle***

by Dr. Leonard Peikoff

- What is the cause of the worship of complexity in the modern mind?
- What is the proper understanding of the concepts complex and simple?
- Why does every human, regardless of time, face a complex set of choices?
- Why does a whole range of facts need to be used for any given decision?
- Provide the basic definition of a principle.
- Why does living by principles make someone more predictable?
- What is the result of attempting to compromise on contrary principles?
